The 7-inch eReader with ergonomic, intuitive design
Let the reading fun continue on the enlarged 7-inch display! The tolino vision 5 now offers even more space for your stories, even when using larger font sizes. Turn pages using the quick, precision touchscreen or the large page buttons on the side of the tolino vision 5: The choice is yours! Your tolino vision 5 always sits perfectly in your hand thanks to its optimized ergonomic form with page buttons, non-slip surface on the back and soft-touch paint. The automatic display adjustment offers added flexibility and allows you to instantly switch between portrait and landscape modes. The tolino vision 5 now offers even more comfort and flexibility: The perfect way to settle down with a great book.

Relaxing, reading and taking a bath
The tolino vision 5 eBook reader is ready for any eventualities, including a long soak in the bath with your new favorite page-turner. Thanks to its improved Water Protection by HZO, the tolino vision 5 is completely protected from water damage and can handle quick dips without any trouble. That means you can immerse your tolino vision 5 into fresh water for up to 60 minutes at a depth of 2 meters. If your tolino vision 5 accidentally falls into the bath, you can go on reading straight afterwards! Escape your daily routine with the best of both worlds – captivating books and the comfort of an eReader.

smartLight: Reading in alignment with your day
For everyone who likes to read before going to bed, we developed smartLight! The new comfort eReader tolino vision 5 always ensures the most pleasant lighting while reading thanks to its clever color adjustment of the integrated reading light. In accordance with natural daylight the tolino vision 5 switches from cool light in the morning to warm light in the evening. This doesn't interfere with your natural rhythm and allows you to enjoy relaxed reading whatever the time of day or night. If you are reading in bright daylight, you can also turn the lighting off completely and extend your eReader's battery life even further. Read like the printed page without any annoying reflections from the sun.

Even more space for your favorite books
Over two million eBooks are just waiting to be read – browse through all the latest titles around the clock on the tolino bookstores' online shops and download your next page-turner directly to your eReader. The tolino vision 5 has plenty of space for all of your favorite eBooks. Featuring 8 GB of storage space, around 6 GB for your books, you can download and store up to 6,000 eBooks onto your tolino vision 5 and take them with you wherever you go – either at home or on the road.

Limitless freedom – buy eBooks wherever you want
tolino is all about free choice and leaves you to make the decision where you want to buy your eBooks. This means that you can enjoy the full range of eBooks from all available tolino eBook retailers. Load existing EPUB and PDF eBooks easily onto your tolino vision 5 and read them with ease thanks to the practical features such as the tolino cloud synchronization and the tolino library link.

Weeks of reading pleasure – perfect for your holiday
Even heavy readers will be impressed by its stamina: The tolino vision 5 consumes little power during reading, guaranteeing weeks of reading pleasure. This is not just practical in everyday life, but also makes the tolino vision 5 an ideal travel companion.
