Hours of relaxed reading thanks to the eye-friendly screen

The tofino shine stands out, with its 6-inch screen making for a pleasant and relaxed reading experience. With a high-resolution black and white touchscreen and E-Ink Carta technology, reading on the tofino shine feels just like reading a printed page. Offering hours of reading pleasure without eye fatigue, as well as a glare-free screen, you can even read outdoors in bright sunlight. Discover the tofino shine screen and see for yourself what a pleasure digital reading can be.

Turn it up: now with Bluetooth audiobook playback

Don't just read your favorite stories. Listen to them too: Enjoy the works of your choice as audiobooks with wireless playback via Bluetooth using headphones or speakers. Perfect for all of those everyday situations where you don't have your hands free, the tofino shine offers a flexible and convenient listening experience.

Practical and compact – your ideal companion

Tipping the scales at just 173 grams and measuring 16 x 112 x 0.9 cm, this handy eReader fits effortlessly into any pocket. The tofino shine color is simple and convenient to use thanks to the 6-inch touchscreen. It combines compactness and comfort so that you can take your eBooks with you wherever you go – lightweight in more ways than one.

smartLight: read the right way for your day

smartLight was developed for everyone who likes to read before going to bed. With its intelligent color temperature adjustment, the tofino shine always provides the most pleasant lighting for reading. The tofino shine changes from cool white light in the morning to warm white light in the evening, in harmony with natural daylight. That way, your reading won't interfere with your na-

tural rhythm, whatever the time of day. If you are reading in bright daylight, you can also turn the lighting off completely and extend your eReader's battery life even further.

Endless reading fun thanks to weeks of battery life³ and 16 GB memory

The tofino shine turns your travels into literary adventures! With an impressive battery life that promises weeks of reading fun³, it will become a loyal companion whenever you're on the road. Pack your entire library – the generous 16 GB of internal storage space offers room for up to 12,000 eBooks or 75 audiobooks¹.

Immerse yourself in reading

Discover the freedom of reading with the waterproof² tofino shine! Immerse yourself – literally – in your latest page-turner in the tub or at the poolside.

Limitless freedom – buy eBooks wherever you want

tolino is all about free choice, leaving the decision where you want to buy your eBooks and audiobooks entirely up to you. That way you can enjoy the full range of eBooks from all available tofino bookstores. Simply load existing EPUB, PDF, MOBI eBooks, TXT files, comics in CBR or CBZ format, and images in JPEG or PNG format onto your eReader. With tofino cloud synchronization, you never lose track of your reading and listening progress, regardless of which device you are using.

¹ 1 GB = 1 billion bytes. Based on an estimated size of approx. 13 MB per eBook and an average audiobook length of 65 hours at 28.8 MB per hour. Part of the memory is reserved for software.

² Protection against fresh water (depth of up to 2 meters/60 min.).

³ Depending on use.
