## Colorful stories are waiting for you

The tofino shine color brings your favorite content to life with its innovative color screen in up to 4,096 shades. The high-resolution screen also presents black and white content in high contrast and razor sharpness. Immerse yourself in the world of color and experience covers, comics, children's books, recipes and self-help eBooks as they were meant to be experienced, turning every story into a colorful adventure.

## Wireless listening pleasure: your audiobooks any place, anytime

Thanks to integrated Bluetooth technology, you can now enjoy your favorite titles as audiobooks wirelessly using headphones or speakers. Ideal for those moments when you don't have your hands free. Be enchanted by stories.

## Practicality and functionality perfectly combined

This compact all-rounder stands out thanks to its compact, lightweight design, which can be held comfortably and used with one hand. Immerse yourself in optimal reading pleasure thanks to the latest technology, color screen and audiobook function. Thanks to water protection<sup>2</sup>, the tofino shine color means carefree reading fun in the tub or at the poolside. Small, smart and packed with functions – your compact companion for unlimited reading pleasure!

## smartLight: read the right way for your day

smartLight was developed for everyone who likes to read before going to bed. With its clever color temperature adjustment, the tofino shine color always provides the most pleasant lighting for reading. It changes from cool white light in the morning to warm white light in the evening, in harmony with natural daylight. That way, your reading won't interfere with your natural

rhythm, whatever the time of day. If you are reading in bright daylight, you can also turn the lighting off completely and extend your eReader's battery life even further.

## Endless reading fun thanks to weeks of battery life<sup>3</sup> and 16 GB memory

The tofino shine color turns your travels into literary adventures! With an impressive battery life that promises weeks<sup>3</sup> of reading fun, it will become an indispensable companion whenever you're on the road. Pack your entire library – the generous 16 GB of storage space offers room for up to 12,000 eBooks or 75 audiobooks<sup>1</sup>.

## Cozy up with a book, even in the water

The waterproof<sup>2</sup> tofino shine color eBook reader is ready for any eventuality, including a long soak in the tub or at the poolside with your new favorite page-turner. ook.

## Limitless freedom – buy eBooks wherever you want

tolino is all about free choice, leaving the decision where you want to buy your eBooks and audiobooks entirely up to you. That way you can enjoy the full range of eBooks from all available tofino bookstores. Simply load existing EPUB, PDF, MOBI eBooks, TXT files, comics in CBR or CBZ format, and images in JPEG or PNG format onto your eReader. With tofino cloud synchronization, you never lose track of your reading and listening progress, regardless of which device you are using.

<sup>1</sup> 1 GB = 1 billion bytes. Based on an estimated size of approx. 13 MB per eBook and an average audiobook length of 65 hours at 28.8 MB per hour. Part of the memory is reserved for software.

<sup>2</sup> Protection against fresh water (depth of up to 2 meters/60 min.).

<sup>3</sup> Depending on use.
